Dear Club,

One of my friends, Emma, threw a massive party at her home last month. We'd met while we were travelling in India last summer so I didn't know any of her family, but was really pleased to be asked. I checked into the hotel that she'd booked for me, showered, changed and headed for her house in the car she'd sent over. Her parents are quite well to do, in case you hadn't guessed!

As soon as I walked into the huge main room I couldn't help but notice one particular couple. They were very smart-looking, but the most amazing thing about them was that although they thought no-one could see them I could tell that he was moving his hand between her legs! All of a sudden the man looked up and held my gaze for several seconds. He knew I'd been watching and I was unable to take my eyes off him. He kept looking at me over his partner's shoulder or when she looked away. He was very tall, dark and handsome, as the old cliché goes. He was also quite a lot older than me and those constant looks really made me feel like a little girl. Anyway, the party got going and I spent a fair bit of time chatting to Emma, but I didn't really know anyone else there, and during one quiet spell I was glad when the guy I'd seen came over and started chatting to me.

By this time the drinks I'd had were

starting to take effect and I was beginning to feel a bit naughty, so when he asked me if I fancied a dance I didn't think twice. Simply and confidently he held out his hand to me and led me onto the floor. He turned me so that my back was to the wall so no-one could see his hands. I could feel his breath on my shoulder and neck; it was warm and soft. He put his hands over the top of my buttocks and must have quickly realised that I wasn't wearing any knickers (I didn't want to spoil the line of my dress). He pressed himself against me and I could feel his hard-on; I knew he wanted me.

He put his hands on my bum and pulled my cheeks apart. At first I gasped at his cheek, but I was so turned-on I didn't want him to stop. Then, meeting no resistance, his hands dropped lower and he pulled my little dress

**“I was dripping wet by now as he pulled and pushed his fingers in and out...”**

up so that half my arse was hanging out. My nipples hardened at the thought of it and he knew the effect he was having on me.

Craftily he moved his hand round so that it was at the entrance to my now very wet pussy. He moved a couple of fingers inside

me slightly and I pressed myself against him so he could reach better. He was using his fingers like a dick, pushing them in and out of me and it was driving me insane. It was outrageous. I had to pretend we were dancing while this stranger was actually

finger-fucking me in front of everyone!

When the music came to an end he took my hand and led me off the dance floor, past all the other guests and out through the French windows into the garden. It was done so confidently that no-one gave us a second glance!

Away from the noise of the party this man leant me up against a tree, pulled my dress up so it was round my waist and, still looking me in the eye, used his hand to open my legs. His fingers went inside me once more as the bark of the tree scratched my arse. I was dripping wet by now as he pulled and pushed his fingers in and out, running them over my clit every time he withdrew. I leaned forward to look at him, and could tell that His dick was rock hard under his clothes, so without any more ado I unbuttoned his trousers and reached inside. His cock sprang into the night air. It was huge and I wanted it more than I'd ever wanted a cock before.

I sank down onto my knees and he pulled my dress over my head. I was now naked apart from my sandals. My eyes were level with his dick so I took hold of it with both hands and directed it into my waiting mouth. I felt his whole body clench and he steadied himself on the branch of the tree. He started to move in and out of my mouth, gently fucking my face with a steady rhythm which soon got more urgent. However, I desperately didn't want him to come just yet, so I pulled away. I ran my tongue greedily up and down the shaft, then quickly took him into my mouth again when I reached the top of his cock. I

ran my tongue in the slit and tickled him. I knew he was hungry for a fuck because he couldn't stop his hips from moving. I stood up and he grabbed my boobs for the first time, squeezing my nipples between his fingers and thumbs. I wanted his mouth there so I took his head and gently guided him down. He took a nipple in his mouth, covered it with saliva and teased it with the very tip of his tongue before moving to the other one and giving it the same treatment.

Suddenly I heard someone coming up behind me and tried to turn my head to see who was there. He held my head straight so I couldn't look, then lifted his head to me and smiled.

"Open your mind," he said. With his hands on the sides of my head he stepped back so that I had to follow. Then I felt another body take the position I'd held against the tree. Then a different pair of hands reached for my tits. I quickly glanced down and saw manicured nails and rings. It was the woman who'd been dancing with him when I'd first arrived. Her fingers caressed my nipples, sending a whirl of confused emotions spinning through my brain. Then the man took a step back and the woman placed her body between us. She was already naked, with a body that seemed to belong to a woman who was much younger than her. She kissed my boobs.

**“My cunt was being eaten by a woman for the first time ever - and I was loving it!”**

sucking the nipples deep into her warm mouth and leaving lipstick smeared on my soft, white flesh. Then she ran her tongue down my belly and buried her face in my bush. She parted my legs with her hands and as I moved back to steady myself against the tree as she started gobbling greedily at my pussy.

I opened my eyes to see the man standing behind her aiming his prick at the entrance of her pussy. When he caught my eye he smiled and slowly fed his lovely cock into her. I felt her shudder as he drove home before he started ramming into her with long, deep strokes. She matched every stroke he gave with her tongue, fucking me with her long, expert muscle. I lowered my hands towards her and she took them, guiding them to her own hard, ripe nipples. As I squeezed them

I felt her moan against my clit. I squeezed again, this time harder, and she actually nibbled me. My cunt was being eaten by a woman for the first time ever - and I was loving it! Suddenly the man stopped and pulled out of the woman, took me and laid me down on the grass, then opened

my legs really wide so that they could both look at my soaking, aching pussy. He reached out and stroked me before finally easing his lovely big cock deep inside me. He started slowly, as if he was afraid of hurting me, but I bit his shoulder to say that I wanted it rough and he thrust hard and deep inside my cunt. Unable to stop myself, I groaned with pleasure.

He used his dick like a dildo, moving it up over my clit, then back deep into my pussy. I came almost at once and he was quick to follow, just a stroke behind. I felt his hot spunk fill me and as he thrust deeper my pussy squeezed the very last juices out of him.

It took me a few moments to recover, but it wasn't all over yet. The woman crawled up to me and rested her pussy over my face. She lowered herself down on my mouth and gyrated her hips so my face was soaked with her juices. I ran my tongue over my lips to taste her, then reached for her hips and brought the pussy down to my mouth before skewering my tongue inside. She moaned and grabbed her tits, tweaking hard at her own nipples. I ran my tongue along her slit and found her engorged clit. I touched it and she winced with pleasure, then came the minute I squeezed it between my teeth, soaking my face with her come. I felt her cunt vibrate and twitch and rammed my tongue into it to share her orgasm. Once we'd all got our breath back the man and woman disappeared back across the garden to the house.

I was delighted but confused by the whole affair and the rest of the party went by in a blur. I didn't really remember taking the car back to the hotel, but knew when I woke up the following morning that I was supposed to be at Emma's for breakfast at 10.

The house was eerily quiet as she led me into the drawing room, where I couldn't believe what greeted me. There was a family portrait hanging over the fireplace. Emma was smiling with her mother and father - and her parents were the ones who'd fucked me the night before!

**N**ow here's a lady that often causes heart and prick palpitations simultaneously. Yes chaps, that is Michelle Thorn perched on our sofa with her jumper bumpers, which are proving a gripping sight. The busty blonde has been had her hands full recently with maxed out manhood by the look of her website.

"I've been crammed left, right and centre by some lovely big boys!"

Well, we won't keep you Michelle as we can see you're a very busy woman.

T  TAL  
RECALL

**D**ear Total Recall,  
 I've been a fan of Club for many years now,  
 after first stumbling across it back in my uni  
 days. So since then, I've had the good fortune  
 of gazing at some truly delectable young ladies that have  
 graced your pages, but the one that has always stuck in  
 my mind is a girl called Teresa, who appeared at some  
 point in Vol.31 dressed in a nurse outfit. I think quite a few  
 people would agree, that if Teresa worked for the NHS,  
 there would be a lot of blokes with raised heart rates  
 loitering around.  
 I'm sorry I can't remember what issue she's in, but I hope  
 you can find out, as I'd love to see those pictures again.

**A**s you can imagine, we were more than ready to lend Stacie Jaxxx our jacket against the cold, but the 23-year-old had another idea and soon got a fire going in the grate, which is when things really started to heat up. Stacie was more

than happy to strip off in front of the fire, "I'm so snug, that I really don't need all these clothes on anymore. And I do like the feel of warmth a fire gives off against my naked flesh." Stacie's not the only one feeling snug; our boxers are getting a bit tight at this sight.

## Their Finest

DVD £9.99, Blu-ray £14.99

Bombs away, as this adaptation of Lissa Evan's novel, *Their Finest Hour and a Half*, strikes several chords. It's 1940, and blitzed London sits as the backdrop for Catrin Cole (Gemma Arterton) as she enters the Ministry of Information Film Division, as a scriptwriter. But being a woman, they can't pay her as much as the chaps, and she's on board to write the 'slop' (female dialogue) as screenwriter Tom Buckley (Sam Chaffin) puts it. However, it's not long before Catrin finds herself in the midst of making a propaganda film, of which the star is a little on the mature side and with sexism reflective of the times. This is a bracing Second World War film from the director of *An Education*, Lone Scherfig, who sits perfectly poised to handle the plucky but sincere events of the film, which are matched with a razor sharp script from Gaby Chiappe. It was a delight to watch Arterton, who is ideally cast and brought a twinkle to the role of Catrin. Bill Nighy defines Ambrose Hilliard, a vein and ageing actor who still sees himself as leading man material and Sam Chaffin provides an excellent game of banter between Tom and Catlin without hitting the net. Yes, there's a bit of cheese here and there, but the films so utterly absorbing, you'll barely notice.

## The Windsor's box set

DVD £24.99

God save my spleen, as my sides are splitting from watching this royal riot originally shown on Channel 4, now brought to you by Acorn Media International. It features a scintillating comedy line up with Harry Enfield as Prince Charles and his ears, Haydn Gwynne as Camilla and Hugh Skinner as William to name a few. In this a current affairs parody that follows the Windsor's in the most un-pc fashion imaginable, and to downright hilarious effect. Co-writers Bert Tyler-Moore and George Jeffrie run with events, but all in all the effect on myself has been one of slight patriotism. Also, I can't help but wonder if any of the Windsor's have seen this?

## Guardians of The Galaxy: Vol 2

DVD £9.99, Blu-ray £14.99

There's a lot of fun to be had with James Gunn's sequel as this family of misfits comes together for a second time, complete with baby Groot. It's all still business as usual for Peter Quill (Chris Pratt), saving the galaxy; finding out your Pop is Kurt Russell, it's a wonder Quill has time to mack on Gamora (Zoe Saldana). But will this unusual blend of characters stay together as the pressure is piled on? Only time will tell, and maybe the odd smattering of death defying antics. Gunn has done well to keep the focus on the characters we already know, rather than bring in a whole host of new faces to keep us entertained helping enforce dynamics, and brings to the second what was great about the first.

## Garmin Vivosmart 3

[www.garmin.com](http://www.garmin.com)

We are fast becoming a world obsessed with data, and this is creeping into our everyday functionality with wearables. Stepping into the lime light now is Garmin's Vivosmart 3, a fitness tracker that does a lot more than track your heart rate. There's an accelerometer, barometric altimeter, ambient light sensor and of course a heart rate sensor. There is, however, no GPS but what it lacks it quickly makes up for with added Bluetooth Smart and ANT+ connectivity. This means you get great base tracking for calories, sleep and steps, as well as more advanced readings, like strength reps, floor climbs, rep counting, stress core and fitness age. It's a mini package that's packing a big punch.

## Analogue NT Mini

[www.nintendo.com](http://www.nintendo.com)

The words Nintendo Entertainment System brings back cherished memories of youth. Just recently Analogue have been exploiting our nostalgia for retro with last years release of the officially sanctioned NES Classic Mini, which proved a roaring success. And now we have the NT Mini approaching our shores, which has taken the crown for the best NES clone out there, with four ports for multiplayer, a host of AV sockets at the back including HDMI. The modern upgrades don't stop there with wireless controllers and four buttons instead of two being big improvements on the original. It also boasts compatibility with over 2000 cartridges and graphics to die for.

## Slush Puppie Machine

[www.slushpuppie.co.uk](http://www.slushpuppie.co.uk)

We can't get enough of the good old days, even if our teeth may have served their time in the dentist's chair because of it, with Fizz Creations bringing back a slice of brain freezing nostalgia with the home version of the Slush Puppie Machine. We have to admit that the thought of cracking this out at a party and adding something a little more adult to the ice and blue raspberry syrup is very appealing, and it does look the part with authentic looking design and logos. It could also add an extra dimension to cinema night at home, especially if it's classics night. Ingredients wise, the slush syrup is widely available on the Internet for a reasonable price, so replicating the luminous blue and red wouldn't be a problem either. All in all fun gadget that your dentist still won't approve of.

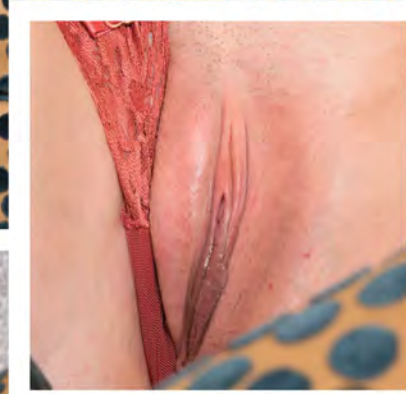

**W**atch out Brookie's about, and we do mean that literally, as tearing your eyes away from this bountiful lady will prove difficult. So we thought a little warning might come in handy for your Mannie, as he'll instantly begin to swell at the sight of Brookie's F-cups that are snugly tucked away currently, but she's already told us with a wink, that she can't wait to unleash her puppies for our readers. You won't need your glasses on for this, so sit back and enjoy a blessed woman.

**W**e can't help but wonder if it's always sunny in America? As every time we seem to set foot on Yankee shores, the fire ball of the sky is always beaming down its rays onto the smooth, supple skin of the gorgeous model we've come to ogle. In this case, Celeste star is the sun-drenched beauty, and her personality matches the weather, bright, warm and welcoming.

"There's no point in being hum-drum, a smile will get you a lot further in life."

I see we have an optimist before us.

"Well, yes I definitely have an optimistic streak within me, and it takes a lot to get me down. But I've always found life is so much easier and pleasant if you always have a good word to say."

Spoken like a true trooper!

# SCRUFF JUSTICE!

Please be upstanding!

## Perfect Natural Breasts #2

Evil Angel

**Starring:** Keisha Grey, Lena Paul, Mark Wood, Natasha Nice and Sofi Ryan.

**Synopsis:** "The merry, married pornographers of

LeWood display silicone-free curves and cleavage in the hardcore 'Perfect Natural Breasts 2.' As hot -wife Francesca Le records the carnage, co-director/stud Mark Wood's thick dick tames beautifully top-heavy tarts sporting hefty, floppy fun bags unsullied by surgical quacks and their saline sacs! Gorgeous, gap-toothed Keisha Grey's voluptuous, oiled bod glistens in a tiny bikini. Mark pumps her furry gash, and deep ass reaming makes the impudent minx's boobs sway. Tan, leggy Sofi Ryan gags on Mark's throbber. He passionately fucks her shaved pussy and righteous rack, creaming her jumbo jugs with hot sperm. (She's

a nut buster; he's a bust nutter!)

Thick, experienced Natasha Nice greases up for a ferocious anal pounding. The slut squeezes Mark's meat in a titty fuck, earning a messy mouthful of cum. Dirty blonde temptress Lena Paul gags on cock and squeezes Mark's spit-soaked shaft between her knockers. Pussy pounding climaxes with a sloppy cum cocktail."

*Courtesy of Evil Angel*

**Verdict:** Not a bobbing beach ball in sight! Just marvellous melons of various

shapes and sizes in the all their squidgy, floppy, natural glory. I must say it's rather a refreshing view from director Le Wood, to watch these lovely ladies receive a right porking, as pussies get pumped, and arses get pounded in four scenes of hardcore action. Kiesha Grey in a gold bikini and Mark Wood led the charge with a gagging blow job and reaming worthy of an Oreo advert, all ending in a lip spatter spunking for Kiesha. There's also a little bit extra with

some behind the scenes footage available.

## TwinWatch

Private

**Starring:** Anita Bellini, Sienna Day, Cassie Fire, Belle Claire, Eveline Dellai and Silvia Dellai.

**Synopsis:** "Summer is here! Beaches are full of

people, and it's really necessary to have a good team of lifeguards to keep them safe. So we have created the Private Baywatch Team. Marc Rose is the leader, and he has in his team the twins Silvia and Eveline Dellai, as well as Belle Claire, Cassie Fire, Anita Bellini and Sienna Day, who has her own float. Last, but not least, the new member of the team, the black Cuban stud Jesús Reyes, who is very well armed for this job. The girls will not hesitate to enjoy his big black cock at all times, no matter what. TwinWatch, a movie in which the rescue methods are a bit out of the protocol, but

for sure can bring anyone back to life. Interracial sex, orgies, anal, DPs and facial cums in this new film by Private to make sure your summer is hot and full of vice."

*Courtesy of Private*

**Verdict:** It's like watching a bountiful version of Baywatch, where saving lives and sex go hand in hand, as Private's hottest twins Eveline and Silvia get their lifeguard kit off with the well-hung stud Charlie Dean after administering the kiss of life. I guess twins really do share everything as they take it in turns to consume his dick in a deep throating frenzy, which opens up into a hardcore anal fuck. But these aren't the only two getting their kicks, as Cassie Fire and Sienna Day

get friendly in the changing rooms with new lifeguard Antonio Black. Anyone who's had a Baywatch fantasy will be in their element.

If there's one woman we know who has the ability to hold a room as soon as she walks into it, it's Amy Green. The fun and glamorous blonde easily captives our attention in her black lace lingerie and we are already chewing our cheeks before she's even slipped a strap off her shoulder. We're sure this is nothing new to Amy, but she's modest all the same.

"I don't think I'm anything special; I just happen to enjoy taking my clothes off in front of a camera."

And boy is she good at it!

**B**ree's a bundle of bounce that's for sure as the energetic red head shows off her long legs in a delicate blossom coloured lingerie set with nude stockings. If you're anything like us and can't stop imagining those pins wrapped around you

then be assured it's a common occurrence.

"Yep, my best asset is apparently my legs, though I could never understand why as they don't look like anything special to me."

Beautiful and modest, does it get any better than Bree?

## The Fuck of the Irish

My girlfriend, Sam, and I were having a dirty weekend in Dublin last month. We had a great time going round the usual tourist spots, drinking in some of the lovely pubs and, of course, doing a good deal of hard fucking in between! Sam had brought with her plenty of sexy underwear and I had my camcorder with me, so you can imagine what we were going to get up to. We didn't realise that things would end up getting even steamier than we could possibly hope for.

On our first night we went out for a couple of Guinneses and then a nice meal in a posh restaurant. When we were almost finished Sam dropped her serviette on the floor. "You couldn't pick that up for me, could you?" she smiled. Sensing there was another reason for her doing this, I ducked down under the table to pick it up. I grabbed it and glanced upwards – Sam had spread her legs and was showing me she had no underwear on! She was wearing black hold-ups and that was it – her beautiful pink pussy was fully on display in front of my eyes.

I came up for air and suggested we get the bill, but of course since I now had a massive hard-on it was some while before I could get up from the table. Barely twenty minutes later we were in our hotel room. I had stripped off completely and Sam was down to her sexy black underwear, still with no panties, of course. She lay back on the bed, clad only in stockings and basque-like top. She spread

her legs wide and inserted a finger into her glistening pussy, and sent me wilder still when she suggested we film ourselves fucking.

I didn't need to be asked twice and soon had the camcorder out, gliding it all over her body, taking in her sweet breasts, which she had popped out of the basque, her long, slim legs and ending up on her succulent pussy, which she helpfully gently opened up with her fingers, throwing her head back in ecstasy. My cock was soon sliding in and out of her tight cunt hole, with the camera happily recording every moment of our sensual pleasure. It was such an incredible turn-on to be fucking and filming at the same time. It wasn't long before I felt I was ready to come so Sam removed my prick from inside her and insisted I spunk on her beautiful alabaster tits. With the camcorder still humming away, I shot several jets of hot come all over my sexy girlfriend, somehow managing to capture it all on film despite my shaking hands. I collapsed on top of her and putting the camera to one side licked most of my come off her tits and immediately French-kissed her to deposit it in her wet and willing mouth. Needless to say it wasn't very long before we were fucking again. In fact, I think we did it about four times throughout the night.

So when the next morning arrived we naturally slept in till very late. After stirring about 11, we made love once again and I slipped into the shower. What happened next was told to me by Sam a little later on. Apparently after I gone into the bathroom she had lain on top of the bed, still fully naked and spread-legged, stroking her engorged pussy and rubbing her poker-hot clit. She hadn't come when we'd fucked so was still really horny. As she lay there groaning with pleasure she hadn't heard a knock at the door and, when there was no response, the

maid come into the room to clean it! Sam had had her eyes tightly shut as she jammed her fingers into her cunt but then suddenly sensed someone was watching her. She looked up to see a nervous looking petite brunette cleaner just standing watching her in fascination. Sam was speechless for a few seconds, and the cleaner suddenly said, "Och, I'm so sorry, I'll come back later...", but

**"I put two fingers up each snatch at the same time, one hairy, one nearly hairless."**

Sam, sort of composing herself said, "No, no, don't worry... go on cleaning if you want, I don't mind."

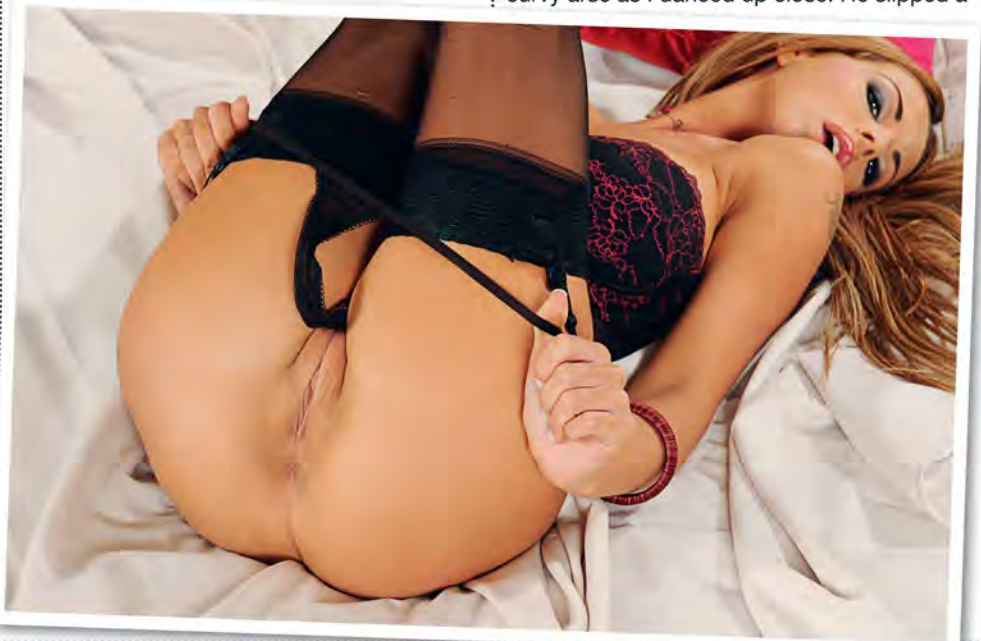

When she told me this later it made the scene sound even hornier, that she hadn't straight away said something like "lick my pussy" but just acted quite naturally. If the maid hadn't then broadly smiled and started to lightly dust a picture – while still looking at Sam's gorgeous naked body – then Sam might have got shy, but she didn't and continued to lie there rubbing her pussy while tweaking her nipples. She kept fixed eye contact with the maid who was by now using her hand without the duster in to rub her own pubic mound

two visions of gorgeousness and asked them both to spread their legs. They did and, moving forward slightly, I put two fingers up each snatch at the same time, one hairy, one nearly hairless, both soaking and red hot. I glided my digits in and out and looked down at my cock which was towering above these lovely babes, totally on fire with excitement, more swollen than I'd ever seen it. It wasn't long before a hand reached for it – two hands in fact, one Mary's, grasping for my sticky bell-end, and Sam's, gently grabbing and rubbing my balls. Then I had the idea of getting the camcorder – how could I not? Neither Sam or Maria objected so I shot realms of red-hot footage: Sam and Maria in 69 position, tonguing at each other's slippery pussies, sucking at their tits, fingering their clits, and after I'd joined in, my prick being hungrily swallowed by Mary and then fucked by Sam as Mary licked Sam's cunt and arsehole as I did so. It really was the most amazing experience ever. By the time I finally came we'd tried just

**“ Being skewered on cock and fingers made me wild with lust and I climaxed.”**

about every combination possible, and the way the two girls lapped up my spunk will remain with me till my dying day – and the best thing is we have it all on film! So the next time Sam asks if we can bring out the Dublin holiday video, I know exactly how the evening will go...

### Double Your Moneyshot

The one thing I've never experienced sexually, is being fucked by two cocks at once and I must admit it has always been a fantasy of mine. Luckily, last weekend my dream came true and it was one of the most awesome screws of my life! I'd been invited to a house party on the Saturday night and as I've been single for a couple of months now, decided it was a great opportunity to get a bit of cock action. I dolled myself up in a tiny mini-skirt, heels and my best slut make-up as I know what gets a guy going and I wanted to make sure I was the centre of attraction! The party was in full swing by the time I got there and after I got myself a drink, I wandered around the house checking out the talent. One bloke in particular caught my eye, as he obviously looked after his body and had a lovely smile. Within a few minutes I was dancing with Max, the bloke in question, in the crowded lounge and I made sure I gave him a good view of my bulging cleavage and curvy arse as I danced up close. He slipped a

through her dress. This is about where I came back in. After my shower I walked back into the bedroom, stark naked and sporting another large erection, as I'd been thinking about all we'd been doing recently, when I saw the incredible scene before me. The maid looked a little shocked and embarrassed but Sam immediately took control: "Don't worry darling," she said to me, "our young friend here was just telling me what a beautiful pussy I have. Weren't you?" Our new friend grinned and said something along the lines of "Yes, you're lovely, now it's time to see me." And before I could faint in excitement, she pulled her uniform off followed by her tights and black panties – she hadn't actually been wearing a bra, and her tits were huge. She also possessed a fantastically hairy fanny, a real black thatch in complete contrast to my Sam's neatly trimmed blonde bush. She climbed on the bed and lay next to my naked girlfriend and said, "I'm Mary, by the way." Sam grinned and gave her a wet kiss and started exploring her body with her eyes and hands. I knelt on the bed over these

**"I slurped the bulbous knob into my mouth... grinding my twat against the now two fingers poking inside my sodden hole."**

hand around my waist and pulled me to him, grinding his crotch against mine. I could feel the bulge of his dick against my pussy as we gyrated on the floor and I knew I was going to have his prick stuffed inside me before to long.

After more drinks and a couple of snogs I couldn't wait any longer as my cunt was wet and ready. I led him up the stairs with the intention of finding an unoccupied bedroom. I was a bit annoyed when he started chatting to one of his mates on the landing but as his hand was stroking my bum I didn't mind to much. His friend, Joe, wasn't bad looking either and they seemed to know each other really well, and I began to wonder if I could get them to fulfil my threesome fantasy. I checked the room behind us and it was empty so acting like a total slut I walked inside and said over my shoulder to the two

lads, "Hey Max, would your mate like to join us?"

The expression on both guys' faces was a picture and they nearly fell over each other as they followed me into the bedroom.

As Joe locked the door I stuffed my tongue in Max's mouth and groped down his jeans for his prick. It was already pretty big but a few squeezes from my nimble fingers and it was as hard as stone. As we writhed our tongues around in each other's mouths I felt Joe's hands lift

my tight skirt and fondle my bum cheeks. I pushed my arse out towards him and he yanked down my panties, thrusting his hand straight between my legs as he did so. I unzipped Max's trousers and dragged out his stiff shaft, rubbing the tip against my wet pussy as Joe prised apart my arsecheeks and tickled my taut bumhole with a finger. I nearly came there and then but managed to pull Max onto the bed. I spread my legs wide and Joe eased a finger into my slit while Max positioned himself so his rigid dick was inches from my face. I slurped the bulbous knob into my mouth and sucked it hard, grinding my twat against the now two fingers poking inside my sodden hole. I groaned as I felt Joe's tongue lick around my clit as he worked his fingers deeper up my fanny. With one hand I gripped Max's twitching tool and with the other I pressed Joe's head against my squelching cunt. Being skewered on cock and fingers made me

wild with lust and I climaxed in Joe's mouth, listening as he gulped down the juices squirting from my tunnel. Joe now joined Max on the bed and aimed his prick at my face too. Gripping both their shafts I sucked on first one cock and then the other, my saliva glistening in the dim light of the bedroom. Both of them stuck a finger in my pussy as I sucked on their meat. One of them finally dragged my big tits from my bra

**“...he was big and I could feel the walls of my twat stretch to accommodate him”**

and started kneading them as I carried on stuffing all that dick down my throat. Both of the lads were breathing heavily and I didn't want them to unload in my mouth before my cunt had felt those lovely dick muscles.

As if sensing my concern, Max clambered between my still spread thighs and shoved his saliva-coated cock straight up my cunt. Jeez, he was big and I could feel the walls of my twat stretch to accommodate him. He continued to push up me until his balls slapped against my butt cheeks before slowly pulling out and repeating the motion. I sucked harder on Joe's prick as Max started to fuck me properly, pistoning his meat in and out of my lubricated hole. Joe's shaft filled my mouth and it felt so fucking horny to be stuffed with dick in both ends that I came again, mauling my own breasts as I did so to give me and them, an extra kick. Dragging their pricks out of me, the boys swapped places and now Joe was pumping in and out of my cunt while Max fucked my mouth. The sweat dripped off their bodies onto mine as we frantically screwed on the creaking bed. I decided I wanted to feel two lots of spunk explode all over me and tickled the tip of Max's rod with my tongue while masturbating him into my mouth. I heard Joe grunt loudly and looked down just in time to see him withdraw from my slit and squirt a great arc of thick white sperm over my stomach. I wanked Max faster but seeing his mate spunk up all over me did the trick and a huge jet of spunk splattered against the back of my throat, followed by another and another. I gulped down his seed as I watched the semen from Joe's staff spray over my tits and all down my front. I smeared it over my skin, writhing beneath them as the last dollop of Max's jizz splashed onto my tongue and I swallowed it down.

I lay there and fingered myself watching the guys play with their flaccid cocks until they started to come back to life. Within a few minutes we were all fucking again and it was a good hour before we tidied ourselves up and slipped back downstairs to the party with my knickers stopping the cunt juice from dribbling down my legs. We've already agreed on a repeat performance next weekend!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## PEACHES PIE

I've always liked the stories you publish in Club so I thought I'd tell you about something that happened to me a couple of years back when I was still at university. There I was, sitting watching crappy daytime TV in my room (Ah, the student life! – The Ed.) when there was a knock at the door. It was Jeannie, a girl who lived in the flat above me and was a really sexy lass, with a mass of curly red hair, big tits and a nice, round arse. When she'd first moved in I'd tried my hardest to get in her knickers but had had no luck, because (get this!) she had a girlfriend, called Helen. Of course that just turned me on even more. Jeannie claimed to be bisexual, but I'd only ever seen her flirting with blokes, getting them all excited before slipping away with Helen – or even some other girl. She'd even done it to me a few times, the tease!

This time Jeannie came and sat on the bed next to me, giving me a great (and I reckon deliberate) view of her ample cleavage as she moved around me. Then she lay back with her head in my lap and started playing with my hair. There wasn't actually anything all that unusual about this, because Jeannie was obviously used to using her looks to get her own way, especially with me! I was starting to get a hard-on, so was trying to change position without making it too obvious when I suddenly noticed that the bottom drawer of my bedside cabinet was open and a well-thumbed copy of Men Only was lying

exposed on the top. Jeannie saw it too and was onto it like a shot. I went bright red, but Jeannie just looked at me and said she'd never looked at a porn mag before. She started flipping through it, commenting on the girls she fancied. As she slowly went through the issue, pausing at every page, I realised that I was really turned on. She started to ask me what it was that I really liked about the mag. Was it the girls? The features? The letters? Without getting a chance to answer she started to tease me, saying she was sure it was the letters and flipped through until she found the start of one. Quietly she started to read the letter out. It was from 'Peaches', my favourite section. As Jeannie slowly read out the letter she would pause every now and again, then look up from my lap where she had settled, look me directly in the eye and moisten her gorgeous red lips. She had a deep, sexy voice and I was getting more and more turned-on by the second.

Jeannie was getting to the climax of the story and the girl in it was about to take a serious arse-fucking, when she suddenly chose that moment to change position, sitting up on my lap and facing away from me while carrying on reading. As the girl in the letter slowly took the guy's full length and he began to pump, Jeannie started to rock backwards and forwards on my lap, grinding her arse into my cock. I was hard as a rock; I'd never been so turned on before. Jeannie stood up and started feeling my cock.

"You fucking love those stories, don't you?" she whispered in my ear. "You want to fuck me up the arse, don't you? But I'm not going to let you." She let go of my throbbing cock. I was well pissed off. I thought it was the

**“I kept pounding and pounding, my balls smacking against her bum.”**

typical Jeannie tease. But this time she wasn't finished with me.

Standing in front of me, Jeannie started dancing, gently at first, swaying from side to side, dipping down to give me a good view of that great cleavage. Then she'd move back up, stretch and show me her taught stomach. Despite my annoyance I couldn't help but enjoy the show. She moved back onto the bed and kissed me on the lips, whispering, "It would be cruel to leave you this turned on..." she ran her finger gently along my fly, "without giving you some satisfaction." She gently unzipped me and pulled my cock out. It was the hardest I'd ever known it.

Jeannie went down on me like a pro, wanking the base of my shaft as she sucked my end hard. She willingly took the whole of my dick into her mouth and I worked my other hand into her jeans to feel her clit. As she continued blowing me I pulled her jeans down. I was already on the verge of coming, so took a chance and started working my thumb in a slow, circular motion into her arse. Jeannie stopped and looked at me with an expression that was half-pleasure, half-surprise. I worked my thumb in deeper.

"Come in me," she murmured. "Fuck my arse." I started to lubricate her with her pussy juices, wetting my fingers, then sliding them in. She let out a gentle moan as each finger got to work and she soon felt nice and open. I moved round behind her and placed my bell end on her crack, then slowly started to work it in. The sight as I did so was incredible, and it took all my self-control to stop myself from coming even before I'd fully penetrated her.

After a while I was balls deep in her arse and started rocking in that tight little hole of hers. It felt like an elastic band had been fastened around my cock, the pleasure was insane. Jeannie moaned and wailed as my thrusts got harder and harder. I have to admit I'd never fucked an arse before and it was fantastic. I kept pounding and pounding, my balls smacking against her bum. She begged me to keep going, thrusting deeper and deeper, until suddenly I exploded inside her.

I pulled out, my come dripping down her beautiful arse cheeks, but I was still horny. I flipped her over, spread her legs apart and plunged my tongue deep into her soaking wet pussy. I moved back, working her lips, biting her as she groaned. Soon I felt her button and concentrated on it with the tip of my tongue as I started to finger her pussy again. By now she was making a lot of noise so I started to

**“I sprayed a jet of spunk between her arse cheeks...”**

suck harder. Jeannie got louder and louder as I sucked harder and harder and finally screamed out loud as she came, a massive orgasm wracking her body as she jerked beneath me.

After that we flopped down on the bed, both completely exhausted. My tongue felt as raw as her arse looked. And after all that, when she'd got her breath back, what do you think she did? She turned and asked me for a lift to the fucking shops! I knew she'd wanted something out of me, but I could hardly refuse, could I? And I let her keep the copy of Men Only. I'm sure her and Helen enjoyed it! Sadly I never got the opportunity for a repeat performance – she made it quite clear it'd had been a one-off treat, but it's still a memory I'll treasure for the rest of my life!

*Pete, Leicester.*

#### **KRAMMING KAREN!**

My friend Simon has been a constant source of annoyance for ages now. If I've heard it once, I've heard it a million times about his 'nympho' girlfriend and his wonderful sex life. Well, I say friend, he's more of a work colleague who is always up for a few drinks when a group of us go out. I clarify this, in order to make me feel better about what happened recently, and why I find it a lot easier to take when he informs me of his previous night's activities!

It was last week, when we were having some of the aforementioned drinks, that he finally decided to bring Karen to meet us. On seeing her, I've got to confess to a little envy initially, as she was gorgeous; and in keeping with what he had said radiated sexuality! She was an incredible flirt, and seemed prepared to let all the blokes know she was up for it. It also seemed that Simon's way of dealing with this was to drink faster and in larger quantity than usual! Anyway, Simon was so plastered that he eventually was taken home by one of our more sober friends, leaving me talking to Karen, who had certainly had a few.

Feeling mischievous in her boyfriend's

absence, I brought up the subject of his sexual bragging. To my surprise she merely replied, "Oh yeah, I know he tells everyone. In fact I'm quite glad as it saves me from chatting people up. I mean, you know you're going to get some, right?" I had never had a girl say something that I had been clearly thinking before! My embarrassment was soon heightened by her getting up, and in front of the group leading me by the hand to the gent's toilets. Within seconds we were in a cubicle pressed against each other, and she was speedily undoing my belt and kissing and biting my neck. Freeing my rigid dick, she stared wildly into my eyes and held my cock in the tips of her fingers. As she worked up a steady rhythm the sensation was incredible and I groped for her pert tits. Barely as I had begun to tweak her nipples, she slid down my body to her knees, and in one movement had the tip of my cock against her tongue. Looking down I saw her lips envelop my cock and my shaft disappear.

Chewing hard on my bottom lip I desperately concentrated to stop myself from shooting straight into her delicious face! Knowing I could take no more as she began sucking my balls and wanking me at the same

time, I pulled her head away and began to turn her round. Instinctively she bent right over, placing her hands on the toilet's cistern as I unhooked her skirt, letting it slide down her hips to the floor. She was wearing no knickers, and she widened her stance and arched her back to reveal the greatest sight I had ever seen! Looking over her shoulder, she said "Both holes!"

Entering her from behind, she let out a little yelp, and grabbing two handfuls of arse I began to fuck her pussy as hard as I could. I could hear that some of the other guys were in the toilets, enjoying what they could hear as I then began to ride her tight bumhole to her relentless screams of "More!" This was no gentle introduction to anal sex – she really wanted a pounding and squealed with pleasure the harder I went. She began to moan that she was cumming and holding her mane of hair in my right hand, and removing myself with my left, I sprayed a jet of spunk between her arse cheeks and all over the small of her back. I'm sure I could hear a little cheer from the other side of the toilet door, but was past caring in my joyous state! To this day, Simon has never found out, but now when he talks about what he's done the night before, I'm more than happy to listen. In fact, being reminded of the best few minutes I've ever had, is something I'll never tire of!

**N**ipping out to the veranda has never been so appealing, as we catch sight of Diana in her bikini sitting astride a chair. But what has the lovely Diana been up to recently? "A little bit of this and a little bit of that, mainly relaxing by the pool, topping up my tan and catching up on a few good reads. I've been so busy recently it's nice to just take a bit of time for myself." Taking a bit of time for herself has clearly done Diana a world of good as she remains zen like in front of the lens.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Cracking Up!

One of the problems with perpetrating criminal activity is that the police aren't usually your first point of call when someone nicks your drug stash from right under your nose. However, 32-year-old David Blackmon dialled 911 to report a stolen bag of cocaine. The self-confessed drug dealer called the police and reported that \$50 and a quarter of an ounce of cocaine had been taken from his car. The deputy on the scene soon spotted some cocaine and a crack rock in the console, plus a crack pipe in the footwell, which we imagine didn't help matters. Blackmon has been charged with possession of an illegal substance and resisting arrest.

It's all smoke and no fire.

## A Sting in the Tale!

Track me?  
I'm wearing  
all black  
mate.

Every cloud has a silver lining, so one company found out. After a break in at the Roambee headquarters in the Santa Clara area, the company looked into what was missing and discovered the thief had taken 100 GPS trackers that the company makes to help track goods that are shipped around the world. Roambee notified the Police and equipped them to monitor the devices, and within six hours they had their man. The thief concerned thought they were mobile chargers that could be sold and while pinching a beer from the fridge cut himself, leaving DNA at the scene. The property was returned to Roambee, and the police were so impressed with the accuracy that they are now looking for ways to work together in the future.

## Juggling Justice!

As a member of the esteemed bench, requests are often asked of judges, though possibly not this peculiar. The corner stone of Orlando Melendez defence was that he was just clowning around when he held up a convenience store with a toy gun. To prove his jovial misunderstanding, Melendez's representative asked the judge that he be allowed to juggle three wads of paper for 20 seconds to show jurors that the attempted robbery was all just a joke. The Massachusetts judge rejected Melendez's request and will continue the trial without the rest of the circus; we can only conclude that his solid defence will crumble.

A dolls house  
was the latest  
in a spate of  
burglaries!
